

Why Choose Us ?

Because we are one of the best travel and tours booking platform with an exceptional service that strives to give you the best experience there is.

ABOUT US.

Gina is a technology startup company that offers seamless booking and personal trip planning. The company aims to connect tourists to local tour guides knowledgeable in the areas they want to explore. Through the Gina application, tour itineraries are in the hands of the tourist, allowing them to have freedom over their travels.

Gina's Mission:

"Think local, Feel local, Be local" that's our mission that travelers will have a unique travel experiences in a sustainable, honest and transparent way.

Gina's Vision:

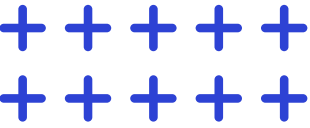

In the next 5 years, GINA will be the Philippines' leading travel and leisure booking platform.

Gina's Core Values:

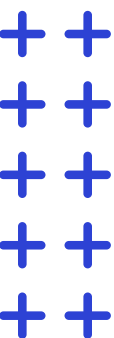

Be approachable, Encourage Growth, Quality; it's always win and commitment

OUR
SERVICES.

- #1 We offer wide variety of tours targeted at leisure travelers. We will give the tourists an option to customize their tour itineraries according to their preferences. This means that they can remove or add activities to their itineraries.
- #2 We will also assist in the decision-making of its user through filters.
- #3 We will provide end-to-end services - from transportation, accomodation, tour services and the likes.
